

Translation Certification

Re: Translation of Patent 20035471 - PCT "Device for inputting control signals for a computer-based simulated table soccer game" from German into US English.

We, Apex Translations, Inc., a professional translation company, hereby certify that the above-mentioned document has been translated by an experienced and qualified professional translator and that, in our best judgment, the translated text truly reflects the content, meaning, and style of the original text and constitutes in every respect a correct and true translation of the original document.

This is to certify the correctness of the translation only. We do not guarantee that the original is a genuine document or that the statements contained in the original document are true.

A copy of the translation is attached to this certification.
